Girl girl girl	Still got my hands they're clinging
When I hear him talk	So I (6) (7) going
(Ooh) my mind (1) blocked girl	I don't know where I belong
Speak up 'cause my jaw is locked	Could I belong to you
Which is good, good for me girl	No I don't know where I belong
It hides like a warning sign	Could I belong
But I'm too blind to see	Could I belong
Speak up yes I'm coming down	Still got my hands they're clinging
With an ice cold fever	So I just keep going
Ice cold fever	I don't know (8) I belong
Ice (2) fever	Could I belong to you
Still got my hands they're clinging	No I don't know where I belong
So I just keep going	Could I belong
I don't know where I belong	(Oh girl)
Could I belong to you	Could I belong
No I don't know where I belong	To you, you, you
Could I belong	To you, yeah you
Girl girl girl	To you, you, you
Get it while it's hot they say	To you, yeah you
You see I'm burning up here	To you, you, you
I (3) to but I just can't stop	Yeah I belong to you
And it hurts	Say you yeah you
It hurts like hell girl	Could I belong to you
You turn me (4) out and upside down	Alright
(Ooh) you got me head over heels	Hey!
I'm stuck	Hey!
Yes I'm (5) down with an ice cold fever	Hey!
Ice cold fever	
Ice cold fever
