(1) everywhere for you	And I would fall out into the night
even did my hair for you	Can't go a minute without your love

ove, you know I'll fight for you	Where you go, I'll follow
left on the porch light for you	You set the pace, we'll take it fast and slow
Nhether you are sweet or cruel	I'll follow in your way
'm gonna love you either way	You got me, you got me
Love, oh, love, I (2) tell you how I feel about you	A force more powerful than gravity
Cause I, oh, I can't go a minute without your love	It's physics, there's no escape
