SUB inglés

We've had our problems but I'm on (6)_____ side

Fill in the gaps

Something Happened On The Way To Heaven by Phil Collins

vve had a life	You're all I need
We had a love	Please believe me
But you don't (1) what you've got 'til you lose it	You can run
Well that was then	And you can hide
And (2) is now	But I'm not (7) 'til it's all over
And I (3) you back	We've had our problems but I'm on your side
How many times can I say I'm sorry	You're all I need
(How many times)	Let me show you
Yes, I'm sorry	They say you can't take it with you when you go
How can something so good go so bad	And I believe it
How can something so right go so wrong	But (8) what I've got or being here with you
Well I don't know	You know I'd, I'd rather leave it
I don't (4) all the answers	We had a life
And I want you back	We had a love
How many times can I say I'm sorry	But you don't know (9) you've got 'til you lose it
(How (5) times)	Well that was then
Well you know	And this is now
You can run	And I want you back
And you can hide	How many (10) can I say I'm sorry
But I'm not leaving less you come with me	(How many times)
We've had our problems but I'm on your side	Oh yes, I'm sorry
You're all I need	(Sorry, sorry)
Please believe in me	Well you know
(Oh, yeah)	You can run
I only wanted someone to love	And you can hide
But something happened on the way to heaven	But I'm not leaving less you come with me
It got a hold of me and wouldn't let go	We've had our problems but I'm on your side
And I want you back	You're all I need
How many times can I say I'm sorry	Please believe me
(How many times)	You can run
Oh yes, I'm sorry	And you can hide
(Sorry)	But I'm not leaving 'til it's all over
Well you know	We've had our problems but I'm on your side
You can run	You're all I need
And you can hide	Please believe in me
But I'm not leaving less you come with me	

- 1. know
