## SUB inglés

And that's just not alright I'm about to steal you away

## Fill in the gaps

## She's Got A Motorcycle by Frankie Cocozza

Look at those mirrored eyes	Show you the nightlife
I want them	Although it wasn't easy
How your legs like to shine	Now it's all so breezy
I can see them	Yeah, I'm loving every mile (3) you
Your smile floods the street	I've got a motorcycle
Like a wild child	A big bad motorcycle
I hear your heart as it beats	I (4) how much you like it
To your own style	But you can't ride it
You've been locked up for days	I've got a motorcycle
And that's just not alright	I know I took the Michael
I wanna steal you away	It feels so damn delightful
Show you the nightlife	l just can't (5) it
I know it would be easy	(Oh, oh, oh)
'Cause I'm feeling tired and wheezy	Your'e Shh! out of luck?
And the road it seems much smoother with you	I knew one day I'd fill you up
She's got a motorcycle	On my motorcycle
A big bad motorcycle	My big bad motorcycle
She knows how (1) I like it	I know how much you like it
She won't let me ride it	But I won't let you ride it
She's got a motorcycle	Then I woke up
It looks so damn delightful	From the most beautiful of daydreams
She knows how much I like it	A fairytale
She keeps tryna hide it	A fantasy
Why, why, why am I out of luck?	Just waved its last goodbye to me
'Cause I've seen others fill you up	She's got a motorcycle
On your motorcycle	A big bad motorcycle
Your big bad motorcycle	She knows how much I (6) it
You (2) how much I like it	She won't let me ride it
Why won't you let me ride it?	She's got a motorcycle
I'll be around after dark	It looks so damn delightful
Like a silhouette	She knows how much I like it
I'll need the keys to your heart	She keeps tryna hide it
'Cause I ain't touched it yet	Why, why, why am I out of luck?
I know you feel insecure	'Cause I've (7) others (8) you up
A little rusty	On (9) motorcycle
You could have so much more	Your big bad motorcycle
If you just trust me	You (10) how much I like it
You've been locked up for days	Why won't you let me ride it?

- 1. much
- 2. know
- 3. with
