

Fill in the gaps

When the role is called up yonder
I hope you see me there
It's in the water
It's where you (1) from
It's in the water
It's where you came from
When the crowd begins to wonder
And they cry to see your face
It's in the water
It's in the story
It's where you came from
The (2) and daughters
In all (3) glory
It's gonna shape them
And (4) they clash
And come together
And (5) rising
7 tria (0) rising
Just drink the water
Just drink the water
Just drink the water Where you came from

Never sold yourself away
It's in the water
It's in the story
It's where you came from
The sons and daughters
In all their glory
It's gonna (6) them
And when they clash
And come together
And start rising
•
Just (7) the water
Just (7) the water Where you came from
Where you came from
Where you came from
Where you came from Where you came from
Where you came from Where you came from And when they clash
Where you came from Where you came from And when they clash And come together
Where you came from Where you came from And when they clash And come together And start rising
