Fill in the gaps

Falling Down by Selena Gomez & The Scene

(Ooh)	The world start spinning out
You walk and talk (1) you're some new sensation	You (you)
You move in circles, you don't need a invitation	When you're falling down
You spend your money, you can't get no satisfaction	Now it's not all about
You play it (2) so you can get the right reaction	You (you)
It won't be long my darling	When you're falling down
Pick up the phone, nobody's on it	You know I'll be around
Where are you're friends now, baby?	When you're (8) down (falling down)
How's anyone supposed to be there for	Smile for the camera, everybody's looking at ya
You (you)	Smile for the camera
When you're falling down	'Cause they're all about to trash ya
The world start spinning out	Smile for the camera, camera, camera
You (you)	Smile for the camera
When you're (3) down	Who's gonna catch ya?
Now it's not all about	You (you)
You (you)	You (you)
When you're (4) down	When you're falling down
You (5) I'll be around	The world start (9) out
When you're falling down, falling down	You (you)
(When you're falling down, you're falling down)	When you're falling down
(When you're falling down)	Now it's not all about
What's out of place when you (6) into the mirror?	You (you)
The truth is blurry but the lies are getting clearer	When you're falling down
Your eyes are fixed, your smile is so elastic	You know I'll be around
You gave me roses but they're all just made of plastic	When you're (10) down (falling down)
It won't be long, my darling	Smile for the camera, everybody's looking at ya
Pick up the phone, nobody's on it	Smile for the camera
Where are your friends now, baby?	'Cause they're all about to trash ya
How's (7) supposed to be there for	
You (vou)
