

Fill in the gaps

I'd sit alone		On videos
And watch your light		For hours and hours
My (1) friend		We hardly need
Through teenage nights		To use our ears
And everything		How (7) changes through the years
I had to know		Let's (8) you never
I (2) it on my radio		Leave, old friend
You gave them all		Like all good things
Those old time stars		On you we depend
Through Wars of Worlds		So stick around
Invaded by Mars		'Cause we might miss you
You made them laugh		When we grow tired
You made them cry		Of all this visual
You made us feel like we could fly		You had your time
(Radio)		You had the power
So don't become		You've yet to have
Some (3) noise		Your finest hour
A backdrop for		Radio (radio)
The girls and boys		All we hear is radio ga ga
Who just don't know		Radio goo goo, radio ga ga
Or (4) don't care		All we hear is radio ga ga
And just complain		Radio goo goo, radio ga ga
When you're not there		All we hear is radio ga ga
You had your time		Radio blah blah
You had the power		Radio, what's new
You've yet to have		Someone still loved you
Your finest hour		Radio ga ga (radio ga ga)
Radio (radio)		Radio ga ga (radio ga ga)
All we (5) is radio ga ga		Radio ga ga (radio ga ga)
Radio goo goo, radio ga ga		You had your time
All we hear is radio ga ga		You had the power
Radio blah blah		You've yet to have
Radio, what's new		Your finest hour
Radio, (6)	still loves you	Radio (radio)
We watch the shows		
We watch the stars
