

We watch the stars

Fill in the gaps

I'd sit alone	On videos
And watch your light	For hours and hours
My only friend	We hardly need
Through teenage nights	To use our ears
And everything	How music changes through the years
I had to know	Let's hope you never
I heard it on my radio	Leave, old friend
You (1) them all	Like all good things
Those old time stars	On you we depend
Through Wars of Worlds	So stick around
Invaded by Mars	'Cause we might miss you
You made (2) laugh	When we grow tired
You (3) them cry	Of all this visual
You (4) us feel (5) we could fly	You had your time
(Radio)	You had the power
So don't become	You've yet to have
Some background noise	Your (7) hour
A backdrop for	Radio (radio)
The girls and boys	All we hear is radio ga ga
Who just don't know	Radio goo goo, (8) ga g
Or just don't care	All we hear is radio ga ga
And just complain	Radio goo goo, (9) ga g
When you're not there	All we hear is radio ga ga
You had your time	Radio (10) blah
You had the power	Radio, what's new
You've yet to have	Someone still loved you
Your finest hour	Radio ga ga (radio ga ga)
Radio (radio)	Radio ga ga (radio ga ga)
All we hear is radio ga ga	Radio ga ga (radio ga ga)
Radio goo goo, radio ga ga	You had your time
All we hear is radio ga ga	You had the power
Radio (6) blah	You've yet to have
Radio, what's new	Your finest hour
Radio, someone still loves you	Radio (radio)
