

Fill in the gaps

And I came home	And I will wait, I will wait for you
Like a stone	Now I'll be bold
And I (1) heavy (2) (3) arms	s As well as strong
These days of dust	And use my head alongside my heart
Which we've known	So tame my flesh
Will (4) away	And fix my eyes
With this new sun	That tethered (11) free (12) the lies
And I'll kneel down, wait for now	But I'll kneel (13) (14) for now
And I'll kneel down, know my ground	I'll (15) (16) know my ground
And I will wait, I (5) wait for you	Raise my hands
And I will wait, I (6) wait for you	Paint my spirit gold
So break my step	Bow my head
And relent	Keep my (17) slow
Well, you forgave and I won't forget	'Cause I (18) wait, I will wait for you
Know (7) we've seen	And I will wait, I (19) (20) for you
And him (8) less	And I (21) wait, I will (22) for you
Now in some way shake the excess	And I will wait, I will wait for you
And I (9) wait, I will wait for you	
And I will wait, I (10) wait for you	
And I will wait, I will wait for you
