# Don't You Want Me by

#### Fill in the gaps

### Don't You Want Me by The Human League

But even then I knew I'd (3)\_\_\_\_\_ a much better place

You were working as a waitress in a cocktail bar	Either with or without you
When I met you	The five years we have had have been such good times
I picked you out, I shook you up and turned you around	I (4) love you
Turned you into someone new	But now I (5) it's time I live my life on my own
Now five years later on you've got the world at your feet	I guess it's just what I (6) do
Success has been so easy for you	Don't
But don't forget it's me who put you where you are now	Don't you want me
And I can put you back down too	You know I can't believe it
Don't	When I hear (7) you won't see me
Don't you want me	Don't
You know I can't believe it	Don't you want me
When I hear that you won't see me	You know I don't believe you
Don't	When you say that you don't need me
Don't you want me	It's much too late to find
You (1) I don't believe you	You think you've changed (8) mind
When you say that you don't (2) me	You'd better change it back or we will both be sorry
It's much too late to find	Don't you want me baby
You think you've changed your mind	Don't you want me, oh
You'd better change it back or we will both be sorry	Don't you want me baby
Don't you want me baby	Don't you want me, oh
Don't you want me, oh	Don't you want me baby
Don't you want me baby	Don't you (9) me, oh
Don't you want me, oh	Don't you want me baby
I was working as a waitress in a cocktail bar	Don't you want me, oh
That much is true
