### Fill in the gaps

#### Just Before Goodbye by Nina Nesbitt

You got new jeans	Cause something so beautiful
The hood is not gone	Can (16) apart so fast
I'm in the new dress that I've (1) worn	Don't you understand
And I (2) sworn	Just before goodbye
You didn't bat an eye when I walked	You had the chance to change your mind
Into the room and I first thought	Just before you lied saying
You could be the one	You gave (17) (18) best try
Have we been (4) the (5)	_ It's not enough to try
through	You have to (19) your blood and tears and time
A piece of shattered glass	Take the world of hurt inside
Something so (6) can fall apart so fa	ast You had one (20) chance to (21)
Just before goodbye	your mind
You had the chance to change your mind	Just (22) goodbye
Just before you lied saying	Just before goodbye
You gave (7) your best try	You had the chance to change your mind
It's not enough to try	And just before you lied saying
You (8) to (9) your blood and tears a	nd You gave this (23) best try
time	It's not enough to try
You had one last chance to (10) your mind	You have to (24) your (25) and tears
Just before goodbye	and time
Curtains are drawn but we're (11) dressed	Take the (26) of (27) inside
The film plays on right (12) my bed	You had one last chance to (28) your mind
I ask what is left now	Just before goodbye
But you ignore, pretend (13) we're fine	Before goodbye
We're not together, half of the time	Before goodbye
I would (14) known the signs	
Have we been seeing the (15) through	
A piece of shattered glass
