A piece of shattered glass

Fill in the gaps

Just Before Goodbye by Nina Nesbitt

You got new jeans	Cause (7) so beautiful
The (1) is not gone	Can fall apart so fast
I'm in the new dress that I've never worn	Don't you understand
And I could (2) sworn	Just before goodbye
You didn't bat an eye when I walked	You had the chance to change your mind
Into the room and I first thought	Just before you lied saying
You could be the one	You gave (8) your best try
Have we been seeing the world through	It's not enough to try
A piece of shattered glass	You have to give your blood and tears and time
Something so beautiful can fall apart so fast	Take the world of hurt inside
Just before goodbye	You had one last chance to change your mind
You had the chance to change (3) mind	Just before goodbye
Just (4) you lied saying	Just before goodbye
You gave this your (5) try	You had the chance to change (9) mind
It's not (6) to try	And just before you lied saying
You have to give your blood and tears and time	You gave this your (10) try
You had one last chance to change your mind	It's not enough to try
Just before goodbye	You have to give your blood and tears and time
Curtains are drawn but we're still dressed	Take the world of hurt inside
The film plays on right under my bed	You had one last chance to change your mind
I ask what is left now	Just before goodbye
But you ignore, pretend that we're fine	Before goodbye
We're not together, half of the time	Before goodbye
I would have known the signs	
Have we been seeing the world through
