Fill in the gaps

The Stars (Are Out Tonight) by David Bowie

	They're waiting to make their moves
Stars are never sleeping	But the stars are out tongiht
Dead (1) and the living	
We (2) closer to the earth	Here they are (18) the stairs
Never to the heavens	Sexless and not aware
The stars are never far away	They are the stars, they're dying for you
Stars are out tonight	But I hope (19) (20) forever
They watch us from behind their shades	They (21) you with their radiant smiles
***, Jack and Kate and Brad	Trap you with their beautiful eyes
From hehind their (3) (4)	They're broke and shamed or drunk or scared
stretch	But I hope they live forever
Gleaming (5) (6) sunshine	Their jealousy's spilling down
Stars are (7) sleeping	The stars (22) stick together
Dead (8) and the living	We will never be rid of these stars
Waiting for the first move	But I hope they live forever
Satyrs and their (9) wives	And they know just (23) we do
Waiting for the (10) move	That we (24) and turn at night
Soaking up our primitive world	They're waiting to make their moves on us
Stars are (11) sleeping	But the stars are out tonight
Dead (12) and the living	Yeah
Their jealousy's spilling down	The stars are out tonight
The (13) must stick together	The stars are out tonight
We will (14) be rid of these stars	Yeah
But I (15) (16) live forever	
And they (17) just what we do	
That we toss and turn at night
