

Fill in the gaps

Feel For You by Nightwish

You were my first love
The earth moving under me
Bedroom scent, beauty ardent
Distant shiver, heaven sent
I'm the snow on your lips
The freezing taste, the (1)_____ sip
I'm the (2)_____ on your hair
Endless nightmare, devil's lair
Only so many times
I can say, I long for you
The lily (3)_____ the thorns
The (4)_____ (5)_____ the wolves
Someday, I (6)_____ feed a snake
Drink her venom, stay awake
With time all pain will fade
Through your memory I will wade
Barely (7)_____ in her grave
Barely warm in my bed
Settling for a (8)_____ tonight
Puppet girl, your strings are mine
Barely cold in her grave

Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
