

Feel For You by Nightwish

You were my first love	Barely warm in my bed
The earth moving under me	Settling for a draw tonight
Bedroom scent, (1)_____ ardent	Puppet girl, (7)_____ strings are mine
Distant shiver, heaven sent	This one is for you
I'm the (2)_____ on your lips	For you, (8)_____ for you
The freezing taste, the silvery sip	Just give in to it (9)_____ think again
I'm the breath on your hair	I feel for you
Endless nightmare, devil's lair	This one is for you
Only so many times	For you, only for you
I can say, I (3)_____ for you	Just give in to it never think again
The lily among the thorns	I feel for you
The prey among the wolves	This one is for you
Someday, I will feed a snake	For you, only for you
Drink her venom, stay awake	Just give in to it never think again
With time all pain will fade	I feel for you
Through your memory I will wade	
Barely (4)_____ in her grave	©RANKA KUSTANNUS OY
