

## Fill in the gaps

You were my first love		
The earth moving under me		
Bedroom scent, beauty ardent		
Distant shiver, (1) sent		
I'm the snow on your lips		
The freezing taste, the silvery sip		
I'm the breath on your hair		
Endless nightmare, devil's lair		
Only so many times		
I can say, I (2) for you		
The lily among the thorns		
The prey among the wolves		
Someday, I (3) feed a snake		
Drink her venom, stay awake		
With (4) all pain will fade		
Through your (5) I (6) wade		
Barely (7) in her grave		
Barely warm in my bed		
Settling for a draw tonight		
Puppet girl, your strings are mine		
Barely cold in her grave		

Barely (8)	in my bed	
Settling for a draw tonight		
Puppet girl, your strings are mine		
This one is for you		
For you, only for you		
Just (9) ir	n to it never think again	
I feel for you		
This one is for you		
For you, only for you		
Just give in to it never think again		
I (10) for	you	
This one is for you		
For you, only for you		
Just give in to it never think again		
I feel for you
