All that I'm dying for

Fill in the gaps

All That I'm Living For (Live) by Evanescence

I can feel the night beginning	All that I can't ignore alone at night
Separate me from the living	All (5) I'm (6) for
Understanding me	Although I wanted more
After all I've seen	Lock the last open door
Piecing every thought together	My ghosts are gaining on me
Find the words to make me better	Guess I thought I'd have to change the world
If I (1) knew	To make you see me
How to pull myself apart	To be the one
All that I'm living for	I could have run forever
All that I'm dying for	But how far would I have come
All that I can't ignore (2) at night	Without mourning your love?
All that I'm wanted for	All that I'm living for
Although I wanted more	All that I'm dying for
Lock the last open door	All that I can't ignore alone at night
My ghosts are (3) on me	All that I'm wanted for
I believe that dreams are sacred	Although I (7) more
Take my darkest fears and play them	Lock the (8) open door
Like a lullaby	My ghosts are gaining on me
Like a reason why	Should it (9) to love you?
Like a (4) of my obsessions	Should I feel like I do?
Make me understand the lesson	Should I lock the (10) open door
So I'll find myself	My ghosts are gaining on me
So I won't be lost again
