| You know  |
|---|
| I never felt like this before                         |
| It feels like   |
| So real   |
| I'm obsessive   |
| When just one thought of you comes up                 |
| And I'm aggressive                                    |
| Just one thought of closing up                        |
| You got me stressing                                  |
| Incessantly pressing the issue                        |
| 'Cause every moment gone you know I miss you          |
| I'm the question                                      |
| And you're of course the answer                       |
| Just (1) me close boy                                 |
| 'Cause I'm your tiny dancer                           |
| You make me shaken up                                 |
| Never mistaken, but I can't control myself            |
| Got me calling out for (help)                         |
| S.O.S. please someone help me                         |
