

Fill in the gaps

When darkness falls	Follow me
And surrounds you	You can (10) me
When you (1) down	I (11) protect you
When you're scared	
And you're lost	I won't let them hurt, (12) you, no
Be brave	(Oooh yeah)
I'm coming to (2) you now	When (13) heart is breaking
When all your (3) has gone	You can (14) me
And you feel wrong	You can (15) me
Like your (4) has (5) away	I (16) always keep you safe
Follow me	Follow me
You can follow me	You can (17) in me
And I, I (6) not desert you now	I (18) (19) protect you, my love
When your fire's (7) out	
No one's there	Feel (my love)
They have left you for dead	Feel (my love)
Follow me	
You can follow me	
I (8) you safe
