How Deep Is Your Love (Cover) by Take That

And when you rise in the morning sun	'Cause we're living in a world of fools
I feel you touch my hand in the pouring rain	Breaking us down
And the moment when you wander far from me	When they all shoud let us be
I wanna feel you in my (1) again	We belong to you and me
And you come to me on a summer breeze	You're the light, you're my light
Keep you warm in your love, then you softly leave	(When I fall) And you may not think
And it's me you need to show	That I care for you
How deep is your love	When you know down inside that I really do
Is your love, how deep is your love	And it's me you need to show
I really (2) to learn	How deep is your love
'Cause we're living in a (3) of fools	Is your love, how (7) is your love
Breaking us down	I really need to learn
When (4) all shoud let us be	'Cause we're living in a world of fools
We belong to you and me	They're breaking us down
I believe in you	When they all shoud let us be
You know you're the door to my barest soul	We belong to you and me
You are the (5) in my deepest darkest hour	How deep is (8) love
And you are my savour when I fall (when I fall)	So how deep is your love
And you may not think that I care for you	How deep is (9) love
When you know down inside that I really do	How (10) is your love
And it's me you (6) to show	So how deep is your love
