

Fill in the gaps

I'm a big big girl		If you (5) me
In a big big world		But I do do feel
It's not a big big thing		That I do do will
If you leave me		Miss you much
But I do do feel		Miss you much
That I do do will		I (6) (7) (8)
Miss you much		(9) me
Miss you much		Warm like fire
I can see the (1)	(2) falling	But when I (10) my eyes
It's all yellow and nice		You're gone
It's so very cold outside	е	I'm a big big girl
Like the way I'm (3)	inside	In a big big world
I'm a big big girl		It's not a big big thing
In a big big world		If you (11) me
It's not a big big thing		But I do do feel
If you (4)	me	That I do do will
But I do do feel		Miss you much
That I do do will		Miss you much
Miss you much		I'm a big big girl
Miss you much		In a big big world
Outside it's now raining		It's not a big big thing
And tears are falling from my eyes		If you leave me
Why did it have to happen		But I do feel
Why did it all have to end		I will
I'm a big big girl		Miss you much
In a big big world		Miss you much
It's not a big big thing
