Slow Me Down by Emmy Rossum

Fill in the gaps

Just slow me	I (5) again
Slow me down	Forgetting to breathe
Slow me down	I need to sleep
Slow me down	I'm getting nowhere
Rushing and racing and running in circles	All that I've missed I see in the reflection
Moving so fast, I'm forgetting my purpose	Passed me while I wasn't paying attention
Blur of the traffic is sending me spinning	Tired of rushing, racing and running
Getting nowhere	I'm falling apart
My head and my heart are colliding, chaotic	Tell me
Pace of the world, I (1) wish I could stop it	(Oh) won't you take my hand and (6) me?
Try to appear like I've got it together	Slow me down, don't let love pass me by
I'm falling apart	Just (7) me how 'cause I'm ready to fall
Save me	Slow me down, don't let me (8) a lie
Somebody take my (2) and lead me	Before my life flies by
Slow me down	I need you to slow me down
Don't let love pass me by	Just show me, I need you to slow me down
Just show me how	Slow me down, slow me down
'Cause I'm ready to fall	The noise of the world is getting me caught up
Slow me down	Chasing the clock and I wish I could stop it
Don't let me live a lie	Just need to breathe
Before my life flies by	Somebody please
I need you to slow me down	Slow me down
Sometimes I fear that	
I (3) disappear	
In the blur of (4) forward
