

Say I'm crying

Fill in the gaps

And the (6)_____ seems to disappear

I'm looking at what's on T.V.	Disappear
Pain and suffering	Disappear
And the struggle	Disappear
To be free	Disappear
It can't ever be denied and I	Disappear
Never will ignore	Disappear
But when I see you coming	
I can take it all	Say if I could
You're so fine	Look into myself and reason
Lose my mind	But I could never (7) see or
And the world seems to disappear	Make sense of the dealings
All the problems	Turn around
All the fears	Am I looking at salvation
And the world seems to disappear	Make me realize all that I am
Say you're mine	You put the light inside this man
And give (1) to the	You're so fine
Feelings that you know	Lose my mind
I'm needing	And the (8) seems to disappear
All that you can give me	All the problems
All the things	All the fears
That you do so well	And the world seems to disappear
Words are healing	You're so fine
Sweet anticipation	Lose my mind
Making spells	And the world seems to disappear
As the (2) close in	All the problems
Fall across all our yesterdays	All the fears
You're so fine	And the (9) seems to disappear
Lose my mind	You're so fine
And the world seems to disappear	Lose my mind
All the problems	And the world seems to disappear
All the fears	All the problems
And the (3) seems to disappear	All the fears
You're so fine	And the world seems to disappear
Lose my mind	You're so fine
And the (4) to disappear	
All the problems	
All the fears
