We can dance if we want to

### Fill in the gaps

#### The Safety Dance by Men Without Hats

We can dance if we want to	We've got all your life and mine
We can leave your friends behind	As (4) as we (5) it, never gonna lose
Cause your friends don't dance	it
And if they don't dance, well they're no friends of mine	Everything will work out right
I say we can go where we want to	I say we can dance if we want to
A place where they'll never mind	We can leave your friends behind
And we can act (1) we come from out of this world	Because your friends don't dance and if they don't dance
Leave the real one far behind	Well they're no friends of mine
We can dance	I say we can dance
(Come see!)	We can dance
We can go where we (2) to	Everything is out of control
Night is young and so am I	We can dance
And we can dress real neat from our hands to our feet	We can dance
And surprise 'em with a victory cry	We're doing it (6) pole to pole
I say we can act if we want to	We can dance
If we don't nobody will	We can dance
And you can act real rude and totally removed	Everybody look at your hands
And I can act like an imbecile	We can dance
I say we can dance	We can dance
We can dance	Everybody's taking the chance
Everything is out of control	Oh well the safety dance
We can dance	Yes, the safety dance
We can dance	Oh well the safety dance
We're doing it from pole to pole	Oh (7) the safety dance
We can dance	Oh yes the (8) dance
We can dance	Oh well the (9) dance
Everybody look at (3) hands	Let's safety dance
We can dance	It's the safety dance
We can dance	Well it's the safety dance
Everybody's taking the chance	Well it's the safety dance
Safety dance	Well it's the safety dance
Oh well the safety dance	Well it's the safety dance
Yes, safety dance
