

Never Tear Us Apart by INXS

Don't ask me	You were there
What you know is true	Two worlds collided
Don't have to tell you	And they could never, ever, tear us apart
I love your precious heart	I (don't ask me)
I	I was standing (you know it's true)
I was standing	You (4)_____ there (worlds collided)
You (1)_____ there	Two (5)_____ collided (were (6)_____ through)
Two worlds collided	And they could never tear us apart
And they could never (2)_____ us apart	You (don't ask me)
We could live	You (7)_____ (8)_____ (you
For a thousand years	(9)_____ it's true)
But if I hurt you	I was there (worlds collided)
I'd make wine from (3)_____ tears	Two worlds collided (were shining through)
I told you	And they could never tear us apart
That we could fly	I
'Cause we all have wings	I was standing...
But some of us don't know why	You were there...
I was standing
