How To Love by Lil Wayne

Fill in the gaps

(Cut the music up)
(A lil louder)
(Yeah)
You had a lot of crooks tryna steal your heart
Never really had luck
Couldn't (1) figure out
How to love
How to love
You had a lot of moments
That didn't last forever
Now you in a corner (2) put it together
How to love
How to love
For a second you were here
Now you over there?
It's hard not to stare
The way you moving your body
Like you never had a love
Never had a love
When you was just a youngun'
Your looks (3) so precious
But now you're grown up
So fly like a blessing
But you
Can't have a man look at you for five seconds
Without you being insecure
You never credit yourself so (4) you get older
It's seems like you came back ten times over

Fill in the gaps

Now you're sitting here in this (5)_____ corner

Looking through all your thoughts								
And looking over your sholder								
See, you had a lot of (6) tryna steal your heart								
Never really had luck								
Couldn't never figure out								
How to love								
How to love								
See, you had a lot of moments								
That didn't last forever								
Now you're in this corner tryna put it together								
How to love								
How to love								
For a second you were here								
Now you over there								
It's hard not to stare								
The way you moving your body								
Like you (7) had a love								
Had a love								
(Oh) you had a lot of dreams								
That transformed to visions								
The fact that you saw the world								
Affected all your decisions								
But it wasn't your fault								
Wasn't in your intentions								
You the one here talking to me								
You don't wanna listen								
But I admire your popping bottles and dippin'								
Just as much as you admire bartending and stripping								

Baby, so don't be mad
