

Saying I'm sorry for that night

Fill in the gaps

Back To December by Taylor Swift

I'm so glad you made time to see me	And I go back to december all the time
How's life?, tell me how's your family	It turns out freedom
I haven't seen them in a while	Ain't nothing but missing you
You've been good, busier than ever	Wishing that I realized what I had
We small talk, work and the weather	When you were mine
Your guard is up and I know why	I'd go back to december
Because the last time you saw me	Turn around and change my own mind
Is (1) burned in the back of your mind	I go back to december all the time
You (2) me roses and I left them there to die	I miss your tan skin, your sweet smiles
So (3) me swallowing my pride	So good to me, so right
Standing in front of you	And how you held me in your arms
Saying I'm sorry for that night	That september night
And I go back to december all the time	The first time you ever saw me cry
It turns out freedom	Maybe this is wishful thinking
Ain't nothing but missing you	Probably my mindless dreaming
Wishing that I realized what I had	If we (7) again I (8) I'd love you
When you were mine	right
I'd go (4) to december	I'd go back in time and change it but I can't
Turn (5) to make it alright	So if the chain is on your (9) I understand
I go back to december all the time	This is me swallowing my pride
These days I haven't been sleeping	Standing in front of you
Staying up playing back (6) leaving	Saying I'm (10) for that night
When your birthday passed and I didn't call	And I go back to december
Then I think about summer	It turns out freedom
All the beautiful times	Ain't nothing but missing you
I watched you laughing from the passenger side	Wishing that I realized what I had
And realized that I loved you in the fall	When you were mine
Then the cold came	I'd go back to december
The dark days when fear crept into my mind	Turn around and make it alright
You gave me all your love	I'd go back to december
And all I gave you was goodbye	Turn around and change my own mind
So this is me swallowing my pride	I go back to december all the time
Standing in front of you	All the time
