## C'mon Let Me Ride by Skylar Grey & Eminem

And the wheels go round	I'm only ****** (7) you
And round	**** you for thinking it's true
And round	I'm not like the sluts in this town
If you got a (1) tooth	They make me (blehh) in my mouth
You can taste my watermelons	I wanna ride on your bike
If the swing set bores you	'Cause you're the boy that I like
I can show you all my talents	It's like I'm a sell out for you
I can (2) a tan	But your bike's so shiny and new, (8) and new
Like other ****** can't	She's distracted
You can have all this, boy	By my reflectors, man, I can tell the chick's attracted
And there's only one (3) that I want from you	My wheels spoke to her, my Schwinn is a chick magnet
Come on, let me ride your bicycle	Bagging up chicks like a bag of chips
It's so fantastical	With a bag of prophylactics as big as Mick Jagger lips
On (4) bicycle	Shagging's something I'm a pro at
We can get a little more physical	But I ain't practicing ****
Baby, after all it's only natural	Allen Iverson has safe sex
I feel it coming, coming, coming	Condoms are for practice, man, I skip practice
I feel it running, running, running	Flip backwards while I flip this bike on its banana seat
Come on, let me ride your bicycle	My fantasy's to have you land where the kick stand is
It's so fantastical	Got this ***** gagging, they call me the broad killer
On your bicycle	I'm the cousin of Godzilla
You want to ride my bicycle	'Cause I spit fire and my (9) is dragging
You want to ride my bike	Zig-zagging up the avenue
If the world starts freezing	Pulling these chicks in my antagonist, wagon
I can make it hot and humid	Screaming
If you get a bee sting	Come on, let me ride your bicycle
I can suck out all the poison	It's so fantastical
I can make you last	On your bicycle
Like all the ****** can't	We can get a little more physical
Have I made it clear, boy	Baby, after all, it's only natural
There's only one (5) that I want from you, hey	I feel it coming, coming, coming
Come on, let me ride (6) bicycle	I feel it running, running, running
It's so fantastical	Come on, let me ride your bicycle
On your bicycle	It's so fantastical
We can get a little more physical	On your bicycle
Baby, after all, it's only natural	You want to ride my bicycle
I feel it coming, coming, coming	You want to ride my bike
