Footsteps even lighter

Fill in the gaps

Stronger (What Doesn't Kill You) by Kelly Clarkson

You know the bed feels warmer	Doesn't mean I'm over cause you're gone
Sleeping here alone	What doesn't kill you makes you stronger, stronger
You know I dream in colour	Just me, myself and I
And do the things I want	What doesn't kill you makes you stronger
You think you got the best of me	Stand a little taller
You think you had the last laugh	Doesn't mean I'm lonely when I'm alone
Bet you think that everything good is gone	Thanks to you I got a new thing started
Think you (1) me broken down	Thanks to you I'm not the broken hearted
Think that I'd come running back	Thanks to you I'm finally thinking 'bout me
Baby you don't know me, cause you're dead wrong	You know in the end
What doesn't kill you makes you stronger	The day you left was just my beginning
Stand a little taller	In the end
Doesn't (2) I'm (3) (4)	What doesn't kill you makes you stronger
I'm alone	Stand a little taller
What doesn't kill you makes you a fighter	Doesn't mean I'm lonely when I'm alone
Footsteps even lighter	What doesn't kill you makes you a fighter
Doesn't mean I'm over cause you're gone	Footsteps even lighter
What doesn't kill you makes you stronger, stronger	Doesn't mean I'm (9) cause you're gone
Just me, myself and I	What doesn't kill you makes you stronger, stronger
What doesn't (5) you (6) you	Just me, myself and I
stronger	What doesn't kill you makes you stronger
