Footsteps even lighter

Fill in the gaps

Stronger (What Doesn't Kill You) by Kelly Clarkson

You (1) the bed feels warmer	Doesn't mean I'm over cause you're gone
Sleeping here alone	What doesn't kill you makes you stronger, stronger
You know I dream in colour	Just me, myself and I
And do the things I want	What doesn't kill you makes you stronger
You think you got the best of me	Stand a little taller
You think you had the last laugh	Doesn't mean I'm lonely when I'm alone
Bet you think that everything good is gone	Thanks to you I got a new thing started
Think you left me (2) down	Thanks to you I'm not the broken hearted
Think that I'd come (3) back	Thanks to you I'm finally thinking 'bout me
Baby you don't know me, (4) you're dead wrong	You know in the end
What doesn't kill you makes you stronger	The day you left was just my beginning
Stand a little taller	In the end
Doesn't (5) I'm lonely when I'm alone	What doesn't kill you makes you stronger
What doesn't kill you makes you a fighter	Stand a little taller
Footsteps even lighter	Doesn't (8) I'm lonely when I'm alone
Doesn't mean I'm over cause you're gone	What doesn't kill you makes you a fighter
What doesn't kill you makes you stronger, stronger	Footsteps even lighter
Just me, myself and I	Doesn't mean I'm over cause you're gone
What doesn't kill you (6) you stronger	What doesn't kill you makes you stronger, stronger
Stand a little taller	Just me, myself and I
Doesn't mean I'm (7) when I'm alone	What doesn't kill you makes you stronger
You heard that I was starting over with someone new	Stand a (9) taller
They told you I was moving on, and over you	Doesn't mean I'm lonely when I'm alone
You didn't think that I'd come back	What doesn't kill you makes you stronger, stronger
I'd come back swinging	Just me, myself and I
You try to break me but you'll see	What doesn't (10) you makes you stronger
What doesn't kill you makes you stronger	Stand a little taller
Stand a little taller	Doesn't mean I'm lonely when I'm alone
Doesn't mean I'm lonely when I'm alone	When I'm alone
What doesn't kill you makes you a fighter
