

To your friends when they ask me

## Fill in the gaps

I've (1)	about you and they told me things	Even though we both know that you do
But my mind didn't change		You do
And I still feel the same		One time, (9) in love one time
What's a life with no fun?		You and all your girls in the club one time
Please don't be so ashamed		All so convinced that you're following your heart
I've had mine, you've had yours, we both know		'Cause your mind don't control
We know		What it does sometimes
They don't get you like I will		We all have our nights though
My only wish is I die real		Don't be so ashamed
'Cause (2) truth hurts, and those lies heal		I've had mine, you've had yours, we both know
And you can't sleep thinking that he lies still		We know (we know)
So you cry still, tears all in the pillow case		You hate being alone, you ain't the only one
Big girls all get a little taste		You hate the fact that you bought the dream
Pushing me away so I give her space		When they sold you one
Dealing with a heart that I didn't break		You love your friends
I'll be there for you, I will care for you		But somebody should've told you something
I keep thinking you just don't know		To save you
Trying to run from that		Instead they say
Say you're (3) with that		Don't (ha ha ha ha) tell me (ha ha ha ha)
On your face, girl, it just don't show		I don't care (ha ha ha ha)
When you're rea	ndy, just say you're ready	If you hurt (ha ha ha ha)
With all the (4	4) (5) ain't as	I don't (ha ha ha ha) tell you
heavy		You don't care (ha ha ha ha)
And the party's o	over, just don't forget me	If you're true (ha ha ha ha)
•	e pace and we'll (6) go slow	Don't (ha ha ha ha) tell me (ha ha ha ha)
You won't (7)	have to worry	I don't care (ha ha ha ha)
You won't ever have to hide		If you hurt (ha ha ha ha)
You've seen all my mistakes		I don't (ha ha ha ha) tell you
So look me in my eyes		You don't care (ha ha ha ha)
'Cause if you let me, here's what I'l do		If you're true (ha ha ha ha)
I'll take care of you		I know you've been hurt by someone else
I've loved and I've lost		I can tell by the way you carry yourself
(Yeah)		If you let me, here's (10) I do
It's my birthday, I'll get high if I want to		I'll take care of you
Can't (8) that I want you		I've loved and I've lost
But I'll lie if I hav	e to	
'Cause you don'	t say you love me
