

Fill in the gaps

I've asked (1) you and they told me things	Even though we both know that you do
But my (2) didn't change	You do
And I still feel the same	One time, been in (18) one time
What's a (3) with no fun?	You and all your girls in the club one time
Please don't be so ashamed	All so convinced that you're following your heart
I've had mine, you've had yours, we (4) know	'Cause your (19) don't control
We know	What it (20) sometimes
They don't get you like I will	We all (21) our nights though
My only wish is I die real	Don't be so ashamed
'Cause that truth hurts, and (5) lies heal	I've had mine, you've had yours, we both know
And you can't (6) thinking that he lies still	We know (we know)
So you cry still, tears all in the (7) case	You hate (22) alone, you ain't the only one
Big (8) all get a (9) taste	You hate the fact that you bought the dream
Pushing me away so I (10) her space	When they sold you one
Dealing (11) a (12) that I didn't break	You love (23) friends
I'll be there for you, I will care for you	But somebody should've told you something
I keep thinking you (13) don't know	To save you
Trying to run from that	Instead they say
Say you're done with that	Don't (ha ha ha ha) tell me (ha ha ha ha)
On your face, girl, it just don't show	I don't (24) (ha ha ha ha)
When you're ready, just say you're ready	If you hurt (ha ha ha ha)
With all the baggage just ain't as heavy	I don't (ha ha ha ha) tell you
And the party's over, (14) don't forget me	You don't care (ha ha ha ha)
We'll change the pace and we'll just go slow	If you're true (ha ha ha ha)
You won't ever have to worry	Don't (ha ha ha ha) tell me (ha ha ha ha)
You won't ever have to hide	I don't care (ha ha ha ha)
You've seen all my mistakes	If you hurt (ha ha ha ha)
So look me in my eyes	I don't (ha ha ha ha) tell you
'Cause if you let me, here's what I'I do	You don't care (ha ha ha ha)
I'll take care of you	If you're true (ha ha ha ha)
I've loved and I've lost	I know you've been (25) by someone else
(Yeah)	I can tell by the way you carry yourself
It's my birthday, I'll get high if I want to	If you let me, here's what I do
Can't (15) I want you	I'll take care of you
But I'll lie if I have to	I've loved and I've lost
'Cause you don't say you love me	
To your (17) when they ask me
