

To your friends when they ask me

## Fill in the gaps

I've asked about you and they told me things	Even though we both know (6) you do
But my mind didn't change	You do
And I still feel the same	One time, been in love one time
What's a life with no fun?	You and all your girls in the club one time
Please don't be so ashamed	All so convinced that you're following your heart
I've had mine, you've had yours, we both know	'Cause your mind don't control
We know	What it does sometimes
They don't get you like I will	We all have our nights though
My only wish is I die real	Don't be so ashamed
'Cause that (1) hurts, and those lies heal	I've had mine, you've had yours, we both know
And you can't sleep thinking that he lies still	We know (we know)
So you cry still, tears all in the pillow case	You hate being alone, you ain't the only one
Big (2) all get a little taste	You hate the fact that you bought the dream
Pushing me away so I give her space	When they sold you one
Dealing with a heart that I didn't break	You love your friends
I'll be there for you, I will care for you	But somebody should've told you something
I keep thinking you (3) don't know	To save you
Trying to run from that	Instead they say
Say you're done with that	Don't (ha ha ha ha) tell me (ha ha ha ha)
On your face, girl, it (4) don't show	I don't care (ha ha ha ha)
When you're ready, just say you're ready	If you hurt (ha ha ha ha)
With all the baggage just ain't as heavy	I don't (ha ha ha ha) tell you
And the party's over, just don't forget me	You don't care (ha ha ha ha)
We'll change the pace and we'll just go slow	If you're true (ha ha ha ha)
You won't ever have to worry	Don't (ha ha ha ha) tell me (ha ha ha ha)
You won't ever have to hide	I don't care (ha ha ha ha)
You've seen all my mistakes	If you hurt (ha ha ha ha)
So look me in my eyes	I don't (ha ha ha ha) (7) you
'Cause if you let me, here's what I'I do	You don't care (ha ha ha ha)
I'll take care of you	If you're true (ha ha ha ha)
I've loved and I've lost	I (8) you've been hurt by someone else
(Yeah)	I can tell by the way you carry yourself
It's my birthday, I'll get high if I want to	If you let me, here's what I do
Can't deny (5) I want you	I'II (9) care of you
But I'll lie if I have to	I've loved and I've lost
'Cause you don't say you love me
