

## Fill in the gaps

### Love On Top by Beyoncé

...

Ring the beat in!

Honey, honey

I can see the stars all the way from here

Can't you see the (1)\_\_\_\_\_ on the window pane?

I can feel the sun whenever you're near

Everytime you touch me I just melt away

Now everybody ask me why I'm smiling up

From ear to ear

They say that (2)\_\_\_\_\_ hurts, but I know

It's gonna (3)\_\_\_\_\_ the (4)\_\_\_\_\_ work

Nothing's (5)\_\_\_\_\_ but it's worth it

After fighting through my tears

And finally you put me first

Baby it's you, you're the one I love

You're the one I need

You're the only one I see

Come on baby it's you

You're the one that gives (6)\_\_\_\_\_ all

You're the one I can always call

When I need you, you make everything stop

Finally you put my love on top

(Huum) (7)\_\_\_\_\_ on baby

You put my love on top top top top

You put my love on top... (huum) (8)\_\_\_\_\_ on baby

You put my love on top top top top

Top you put my love on top (you put my love on top)

Baby it's you, you're the one I love

You're the one I need

You're the only one I see

Come on baby it's you

You're the one that gives your all

You're the one I can (9)\_\_\_\_\_ call

When I need you, make everything stop

Finally you put my love on top

Baby it's you, you're the one I love

Baby, you're the one I need

You're the only one I see

Come on baby it's you

You're the one that gives your all

You're the one I can always call

When I need you, you make everything stop

Finally you put my love on top

Baby it's you, you're the one I love

Baby, you're the one I need

You're the only one I see

(Oh) Baby, baby it's you

You're the one that gives your all

You're the one I can always call

When I need you, you make everything stop

Finally you put my love on top

Baby it's you, you're the one I love

Baby, you're the one I need

You're the only one I see

Baby, baby it's you

You're the one that gives your all

You're the one I can always call

When I need you, you make everything stop

Finally you put my love on top

## Fill in the gaps
