Love On Top by Beyoncé

Come on baby it's you

Fill in the gaps

	You're the one that (8) your all
Ring the beat in!	You're the one I can always call
Honey, honey	When I need you, make everything stop
I can see the stars all the way from here	Finally you put my love on top
Can't you see the glow on the (1) pane?	Baby it's you, you're the one I love
I can feel the sun whenever you're near	Baby, you're the one I need
Everytime you (2) me I just (3) away	You're the only one I see
Now everybody ask me why I'm smiling up	Come on baby it's you
From ear to ear	You're the one that gives your all
They say that love hurts, but I know	You're the one I can always call
It's gonna (4) the real work	When I (9) you, you make everything stop
Nothing's perfect but it's worth it	Finally you put my (10) on top
After fighting through my tears	Baby it's you, you're the one I love
And finally you put me first	Baby, you're the one I need
Baby it's you, you're the one I love	You're the (11) one I see
You're the one I need	(Oh) Baby, baby it's you
You're the (5) one I see	You're the one that gives your all
Come on baby it's you	You're the one I can always call
You're the one that gives your all	When I need you, you make everything stop
You're the one I can always call	Finally you put my love on top
When I need you, you make (6)	Baby it's you, you're the one I love
stop	Baby, you're the one I need
Finally you put my love on top	You're the only one I see
(Huum) Come on baby	Baby, baby it's you
You put my (7) on top top top	You're the one (12) gives your all
You put my love on top (huum) come on baby	You're the one I can always call
You put my love on top top top	When I need you, you (13)
Top you put my love on top (you put my love on top)	(14) stop
Baby it's you, you're the one I love	Finally you put my (15) on top
You're the one I need	
You're the only one I see
