Winter Winds by Mumford & Sons

"This (4)_____ no"

Fill in the gaps

As the winter winds		Yes, my heart told my head		
Litter London with lonely hearts		"This time no, this time no"		
(Oh) the warmth in your eyes		(Oh) the shame that sent me off		
Swept me into your arms		From the God that I once loved		
Was it love or fear of the cold		Was the same that sent me into your arms		
That led us through the night?		(Oh) and pestilence is won		
For every kiss		When you are lost and I am gone	When you are lost and I am gone	
Your (1)	trumped my doubt	And no hope		
And my head told my heart		No hope will overcome		
"Let love grow"		But if your strife		
But my heart told my head		Strikes at your sleep		
"This time no, this time no"		Remember spring swaps snow for leaves		
We'll be washed and buried		You'll be happy and wholesome again		
One day my girl		When the city clears and sun (5)	_ (hey)	
And the time we were given		And my (6) told my heart		
Will be left for the world		"Let love grow"		
The flesh that lived and loved		But my heart told my head		
Will be eaten by plague		"This (7) no"		
So let the memories		And my (8) told my heart		
Be good for those who stay		"Let love grow"		
And my head (2) my heart		But my heart told my head		
"Let love grow"		"This time no, this time no"		
But my heart (3)	my head
