

## Fill in the gaps

As the winter winds	Yes, my heart told my head
Litter London with lonely hearts	"This time no, (12) time no"
(Oh) the warmth in your eyes	(Oh) the shame (13) sent me off
Swept me into (1) arms	From the God (14) I once loved
Was it love or fear of the cold	Was the same that sent me into your arms
That led us (2) the night?	(Oh) and pestilence is won
For (3) kiss	When you are lost and I am gone
Your beauty trumped my doubt	And no hope
And my head told my heart	No (15) will overcome
"Let love grow"	But if your strife
But my (4) my head	Strikes at your sleep
"This (6) no, (7) time no"	Remember (16) (17)
We'll be washed and buried	(18) for leaves
One day my girl	You'll be (19) and (20)
And the time we were given	again
Will be (8) for the world	When the (21) clears and sun ascends (hey)
The (9) that (10) and loved	And my (22) my heart
Will be eaten by plague	"Let love grow"
So let the memories	But my (24) told my head
Be good for those who stay	"This time no"
And my (11) told my heart	And my head told my heart
"Let love grow"	"Let (25) grow"
But my heart told my head	But my heart told my head
"This time no"	"This time no, (26) no"
