We found love in a hopeless place

## Fill in the gaps

## We Found Love by Rihanna & Calvin Harris

It's like you're screaming		Shine a light through an open door	
And no one can hear		Love and (5) I will divide	
You almost feel ashamed		Turn away 'cause I need you more	
That someone could be that important		Feel the heartbeat in my mind	
That without them, you feel like nothing		It's the way I'm feeling I just can't deny	
No one will ever (1)	_ how much it	But I've gotta let it go	
hurts		We found love in a hopeless place	
You feel hopeless		We found love in a hopeless place	
Like nothing can save you		We found (6) in a hopeless place	
Then when it's over		We found love in a hopeless place	
And it's gone		Yellow diamonds in the light	
You (2) wish		And we're standing side by side	
That you could have all that bad stuff back		As your shadow crosses mine	
So that you could have the good		We found love in a hopeless place	
Yellow diamonds in the light		We found (7) in a hopeless place	
And we're standing side by side		We found love in a hopeless place	
As your shadow crosses mine		We found love in a hopeless place	
What it takes to come alive		We found (8) in a (9)	_ place
It's the way I'm feeling I just can't deny		We found love in a hopeless place	
But I've gotta let it go		We found love in a hopeless place	
We found love in a hopeless place		We found love in a hopeless place
