

## Fill in the gaps

Not gonna get us	We'll run away, (17) (18)
They're not gonna get us	simple
Not gonna get us	Night (19) come down, our guardian angel
Not (1) get us	We rush ahead, the crossroads are empty
Starting from here, let's make a promise	Our spirits rise, they're not gonna get us
You and me, let's (2) be honest	My love for you, always forever
We're (3) run, (4) can	Just you and me, all else is nothing
(5) us	Not (20) back, not going back there
Even the night that falls all around us	They don't understand,
Soon (6) (7) be laughter and voices	They don't (21) us
Beyond the (8) (9) the mountains	Not gonna get us
We'll run (10) on (11) that are empty	Not (22) get us
Lights from the airfield shining upon you	Nothing can (23) this, not now I (24)
Nothing can (12) this, not now I love you	you
They're not gonna get us,	They're not gonna get us,
they're not (13) get us	they're not gonna get us
Nothing can (14) this, not now I (15)	Nothing can stop this, not now I love you
you	They're not gonna get us,
They're not (16) get us,	they're not gonna get us
they're not gonna get us	They're not (25) get us
They're not gonna get us	They're not gonna get us.
Not gonna get us	
Not gonna get us
