21st Century Breakdown by Green Day

Born into nixon I was raised in hell	A worker of pride
A welfare child where the teamsters dwelled	My debt to the status quo
The last one born, and the first one to run	The scars on my hands
My town was blind from refinery sun	And the (8) to an end
My generation is zero	Is all that I have to show
I never made it as a working class hero	
21st century breakdown	I swalloed my pride
I once was (1) but never was found	And I choked on my faith
I think I am (2) what's left of my mind	I've given my heart and my soul
To the 20th century deadline	I've broken my fingers
I was made of poison and blood	And lied through my teeth
Condemnation is what I understood	The pillar of damage control
Videogames to the tower's fall	I've been to the edge
Homeland (3) could kill us all	And I've thrown the bouquet
My generaton is zero	Of (9) left over the grave
I (4) made it as a (5) class	I sat in the waiting room
hero	Wasting my time
21st century breakdown	And waiting for Judgement Day
I (6) was lost but never was found	I praise liberty
I think I am losing what's left of my mind	The "Freedom to Obey"
To the 20th century deadline	Is the song that (10) me
We are the class of, the class of 13	Well, don't cross the line
Born in the era of humility	(Oh) dream, America dream
We are the desperate in the decline	I can't even sleep
Raised by the bastards of 1969	From the light's early dawn
My name is no one	(Oh) scream, America scream
The (7) lost son	Believe what you see
Born on the 4th of July	From heroes and cons
Raised in an era of heroes and cons	
That left me for dead or alive
