Should've Known Better (Live) by Soluna Samay

Should've known better	She said
Now I miss you	
Like (1) rain	We could've (15) words on a mountain high
Changing like the weather	Reminding ourselves to (16) climbing, right
Maybe it's true	Sometimes we have to lose
Maybe you're not (3) change	A part of us to find the truth
I feel (4) you have two homes	Nothing more (17) than the way
Yet I feel you are homeless	You (18) to breathe me into your lungs and soul
Where we (5) I feel (6) a stranger	Sometimes we have to say
When you home I feel even stranger	I'm (19) I can't stay
I (7) in no man's land	Should've (20) better
With no way home (8) you don't understand	Now I miss you
Cuz you so here, you so there, not really anywhere	Like (21) (22) rain
She said	Changing like the weather
Should've (9) better	Maybe it's true
Now I miss you	Maybe it's true
Like Sahara misses rain	Should've known better
Changing like the weather	Now I miss you
Maybe it's true	Like Sahara misses rain
Maybe you're not (10) change	Changing like the weather
Feels like I'm always	Maybe it's true
Living out of my suitcase	Maybe we're not (23) change
What about all the (11) in between	Should've known better
Just trying to (12) my place	Should've known better
I (13) in no man's land	(Thank you)
With no way home like you don't understand	
Cuz you so here, you so there not (14)	
anywhere
