

## Fill in the gaps

Someone rails to pieces	To be yourself is all that you can do
Sleeping all alone	(All that you can do, hey)
Someone kills the pain	To be yourself is all that you can do
Spinning in the silence	Even when you've paid enough
She finally drifts away	Been put upon or been (5) up
Someone gets (1) in a (2)	With every (6) memory of
yard	The good or bad, faces of luck
Catches a boquet	Don't lose any sleep tonight
Another (3) a dozen	I'm sure everything will end up alright
White roses on a grave	You may win or lose
(Yeah)	But to be yourself is all that you can do
And to be yourself is all that you can do	(Yeah)
(Hey)	To be (7) is all that you can do
To be yourself is all that you can do	(Oh)
Someone finds salvation in everyone	To be yourself is all that you can do
Another only pain	(All that you can do, hey)
Someone tries to hide himself	To be (8) is all that you can do
Down inside himself he prays	(All that you can do)
Someone swears his true love until the end of time	To be yourself is all that you can
Another runs away	Be (9) is all that you can
Separate or united?	Be yourself
Healthy or insane?	Is all that you can do
And to be yourself is all that you can do	
(All that you can do)	
To be (4) is all that you can do	
(All that you can do)
