Someone falls to pieces	To be yourself is all that you can do
Sleeping all alone	(All that you can do, hey)
Someone (1) the pain	To be yourself is all that you can do
Spinning in the silence	Even when you've paid enough
She (2) drifts away	Been put upon or been held up
Someone gets excited in a chapel yard	With every single memory of
Catches a boquet	The good or bad, faces of luck
Another lays a dozen	Don't lose any (7) tonight
White roses on a grave	I'm sure everything will end up alright
(Yeah)	You may win or lose
And to be yourself is all that you can do	But to be yourself is all that you can do
(Hey)	(Yeah)
To be (3) is all that you can do	To be yourself is all (8) you can do
Someone finds salvation in everyone	(Oh)
Another only pain	To be (9) is all that you can do
Someone tries to hide himself	(All (10) you can do, hey)
Down inside himself he prays	To be yourself is all that you can do
Someone swears his true love (4) the end of	(All that you can do)
time	To be yourself is all that you can
Another runs away	Be yourself is all that you can
Separate or united?	Be yourself
Healthy or insane?	Is all that you can do
And to be (5) is all that you can do	
(All (6) you can do)	
To be yourself is all that you can do	
(All that you can do)
