Every second is a lifetime	Does it feel (7) than love?
And every minute more brings you (1) to God	Does it feel better than love?
And you see nothing but the red lights	Turn away, turn away, close your eyes, you can runaway
You let your body burn like never before	It's not enough
And it (2) better than love	I see the lights through the rain
Yeah it feels (3) than love	(Oh) tonight
Every second is a lifetime	But they never change
And every minute more (4) you closer to God	So what is love?
And you see nothing but the red lights	Does it feel (8) than love?
You let your body burn like never before	Does it feel better than love?
And it feels better than love	Turn away, turn away, close your eyes, you can runaway
Yeah it feels better than love	It's not enough
Turn away, turn away, (5) your eyes, you can	I see the lights through the rain
runaway	(Oh) tonight
It's not enough	But they (9) change
Another second in the sunshine	So what is love?
A (6) in the dark taking part in a dream

Or do you only see what you want to believe?
