## Roll With The Wind by Alexander Rybak

| I won't blame the hurting on you     | (Ai, ai, ai, whoa)                       |
|--------------------------------------|--|
| You left in the sweetest way         | (Ai, ai, ai)                             |
| I won't say that it's you            | Wanna sit by the fire                    |
| Making me feel (1) way               | And glance at the (4) rain               |
| It's the heart and the soul          | (Ai, ai, ai)                             |
| And the body and the brain           | (Ai, ai, ai)                             |
| Driving me insane                    | I would never (5) you for the heartache  |
| But the wind and the land            | I would never blame you for the tears    |
| And the fire and the rain            | I blame my stubborn heart, soul, body    |
| Always stay the same                 | Every (6) thing around me stays the same |
| (Ai, ai, ai)                         | No matter what                           |
| Wanna roll with the wind             | (Ai, ai, ai)                             |
| Bringing distance to everything      | Wanna roll with the wind                 |
| (Ai, ai, ai, whoa)                   | Bringing distance to everything          |
| (Ai, ai, ai)                         | (Ai, ai, ai, whoa)                       |
| Wanna sit by the fire                | (Ai, ai, ai)                             |
| And glance at the pouring rain       | Wanna sit by the fire                    |
| (Ai, ai, ai)                         | And glance at the pouring rain           |
| (Ai, ai, ai)                         | (Ai, ai, ai)                             |
| I won't claim it's all 'cause of you | (Ai, ai, ai)                             |
| I guess that I played a part         | (Ai, ai, ai)                             |
| It's just that I never knew          | Wanna (7) with the wind                  |
| I'd fall for you from the start      | Bringing distance to everything          |
| There's a hole in my heart           | (Ai, ai, ai, whoa)                       |
| And a picture in a frame             | (Ai, ai, ai)                             |
| Driving me insane                    | Wanna sit by the fire                    |
| But the wind and the land            | And glance at the pouring rain           |
| And the fire and the rain            | (Ai, ai, ai)                             |
| Always (2) the same                  | (Ai, ai, ai)                             |
| (Ai, ai, ai)                         |  |
| Wanna roll with the wind             |  |

- 1. this
- 2. stay
- 3. distance
- 4. pouring
