You trembled like you'd seen a ghost	On the day you wake up needing somebody
And I gave in	And you've learned
I lack the (1) you need the most, you said	It's (17) to be afraid
Where have you been	But it (18) never be the same
You wasted all (2) sweetness to run and hide	And as the floods move in
I wonder why	And (19) starts to sink
I (3) you of the days you (4)	I was the last thing on (21) mind
(5) heart into	I know you better than you think
But you never tried	'Cause it's simple, darling
I've (6) (7) grace, took a blow to	I gave you a warning
my face	Now everything you own
I've loved and I've lost, I've (8) and I've lost	Is falling from the sky in pieces
Explosions	So (22) them fall with you in (23)
On the day you wake up needing somebody	motion
And you've learned	I (24) that you'll (25) peace of mind
It's (9) to be afraid	And I'll find you another time
But it will never be the same	I'll love you, another time
It (10) never be the same	Explosions
You left my soul (11) in the dark	On the day you wake up (26) somebody
So you could be king	And you've learned
The rules you set are (12) untold to me and I've	It's okay to be afraid
Lost my (13) in everything	But it (27) (28) be the same
The nights you could cope	
Your (14) gold	
But the mountains will shake	
I need to know I can still (16) explosions
