

Fill in the gaps

You trembled like you'd seen a ghost	On the day you (14) up needing somebody
And I gave in	And you've learned
lack the things you need the most, you said	It's okay to be afraid
Where have you been	But it (15) never be the same
You (1) all that sweetness to run and hide	And as the (16) in
(2) why	And your body starts to sink
(3) you of the (4) you poured	I was the last (18) on (19) mind
your heart into	I know you better than you think
But you (5) tried	'Cause it's simple, darling
've fallen from grace, took a (6) to my face	I (20) you a warning
've loved and I've lost, I've loved and I've lost	Now (21) you own
Explosions	Is falling from the sky in pieces
On the day you (7) up needing somebody	So watch them (22) (23) you in slow
And you've learned	motion
t's okay to be afraid	I pray that you'll (24) peace of mind
But it will (8) be the same	And I'll (25) you (26) time
t will (9) be the same	I'll love you, another time
You left my (10) bleeding in the dark	Explosions
So you (11) be king	On the day you wake up (27) somebody
The rules you set are still untold to me and I've	And you've learned
ost my faith in everything	It's okay to be afraid
The nights you (12) cope	But it will (28) be the same
Your intentions were gold	
But the mountains will shake	
need to (13) I can still make explosions
