Explosions by Ellie Goulding

You trembled like you'd seen a ghost
And I gave in
I lack the things you need the most, you said
Where have you been
You wasted all that sweetness to run and hide
I wonder why
I remind you of the days you poured your heart into
But you never tried
I've fallen from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
It will (1)_____ be the same
You left my (2)_____ bleeding in the dark
So you (3)_____ be king
The (4)_____ you set are still untold to me and I've
Lost my faith in everything
The nights you could cope
Your intentions were gold
But the mountains will shake
I need to know I can still (5)_____ explosions

On the day you wake up needing somebody
And you've learned
It's (6)_____ to be afraid
But it will never be the same
And as the floods move in
And your (7)_____ starts to sink
I was the last thing on your mind
I know you (8)_____ than you think
'Cause it's simple, darling
I (9)_____ you a warning
Now everything you own
Is falling from the sky in pieces
So watch them (10)_____ with you in slow motion
I pray that you'll find peace of mind
And I'll find you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
