Where have you been	But it (7) never be the same	
You wasted all that sweetness to run and hide	And as the floods move in	
I wonder why	And your (8) starts to sink	
I remind you of the days you poured your (2)	I was the last thing on your mind	
into	I know you better than you think	
But you never tried	'Cause it's simple, darling

I've loved and I've lost, I've loved and I've lost	Now everything you own	
Explosions	Is falling from the sky in pieces	
On the day you wake up needing somebody	So watch them fall with you in slow motion

It's okay to be afraid	And I'll (9) you another time	
But it will never be the same	I'll love you, another time	
It will never be the same	Explosions	
You left my soul bleeding in the dark	On the day you wake up (10)	_ somebody
So you could be king	And you've learned	
The rules you set are still untold to me and I've	It's okay to be afraid	
Lost my faith in everything	But it will never be the same	
The (3) you could cope		
Your intentions (4) gold		
But the mountains will shake		
I need to know I can (5) make explosions
