

Be my (señorita)

## Fill in the gaps

Drinking a German beer	We ain't gotta rush, just take it slow
With a Cuban cigar	You'll be in the high life
In the middle of Paris with a (1) bar	Soaking up the sunlight
Great head on her shoulders	Anything you want is yours
She probably studied abroad	I'll have you living life like you should
She transfered to Harvard	Just say you never had it so good
From King's College in March	(Na na na na na na)
She says (2) I'm her favorite	You never had it so good
Cause she admires the art	(Na na na na na na)
Michelangelo with the flow	You never had it so good
Picasso with the bars	Well I been feeling singular
She's well put together like a piece by Gershwin	How about let's make it plural
Rennaisaince style, tonight is picture perfect	Spin the globe
So smile, and pack your bags (3) good baby	Wherever it lands that's where we'll go
Cause you'll be gone for a while, while, while	We'll hit up Europe, yep, and spend some euros
Girl, tell me how you feel	And maybe visit Berlin, the wall's with the murals
What your fantasy	This is your (7) baby, (8) of the Virgo
I see us on a beach down in Mexico	Private reservations, glasses full of merlot
You can put your feet up	A rose, a burgundy, (9) like turbo
Be my (señorita)	Brush up on your (español), we're Barcelona bound
We ain't gotta rush, just take it slow	So smile, and pack (10) bags real good baby
You'll be in the high life	'Cause you'll be gone for a while, while, while
Soaking up the sunlight	Girl, tell me how you feel
Anything you want is yours	What your fantasy
I'll have you living life like you should	I see us on a beach down in Mexico
Just say you never had it so good	You can put your feet up
(Na na na na na na)	Be my (señorita)
You (4) had it so good	We ain't gotta rush, just take it slow
(Na na na na na na)	You'll be in the high life
Suffering from first class cabin fever	Soaking up the sunlight
Five hour layovers from Norway to Egypt	Anything you want is yours
I'm to the point like the pyramids of Giza	I'll have you living life like you should
Still I'm to the left (5) the tower out in Pisa	Just say you never had it so good
I'm feeling single baby, I could use a feature	(Na na na na na na)
Swagger (6) Caesar, I'll get you a visa	You never had it so good
We can go to Italy, and maybe see the Coliseum	(Na na na na na na)
I'll be Da Vinci if you'll be my Mona Lisa	You never had it so good
Now smile, and pack your bags real good baby	(Na na na na na na)
'Cause you'll be gone for a while	You never had it so good
Girl, tell me how you feel	(Na na na na na na)
What your fantasy	You never had it so good
I see us on a beach down in Mexico	
You can put your feet up
